## A guide to our products and business appetite

**Our focus on global specialist lines enables Liberty to provide a broad range of insurance solutions, with a capability to manage complex risks. This guide provides an overview of Liberty's appetite for Casualty risks.**

If you are unsure of the categorization of a specific industry, please call our team and we will be happy to discuss the risk with you in more detail.

### Liberty offering

At Liberty we offer your clients policies that provide comprehensive coverage using wordings that are clear and unambiguous. We also offer a wide range of extensions so you can deliver the exact cover your client requires. We offer extensions in areas including financial loss, recall expenses, care custody and control, molestation and abuse, injury to participants and existing property. We will even consider cover for phased handover (on a project by project basis).

Our maximum capacity is US\$50,000,000 for either:

- ▶ Primary
- ▶ Excess
- ▶ Umbrella
- ▶ Construction Third Party Liability

### Industries

We've listed 60 trades on the reverse to help you understand our appetite. We have followed a simple traffic light system. **Red** are industries that we typically do not participate in, **Yellow** requires further consideration before confirming capacity and **Green** are our preferred industries.

#### Our target industries are:

- ▶ Rail (manufacturing and operational)
- ▶ Construction
- ▶ Product liability (appetite for North American Exposure)
- ▶ Offshore construction (Inc. contractors working offshore)
- ▶ Power
- ▶ Petrochemical
- ▶ Property owners
- ▶ Schools
- ▶ Sports associations
- ▶ Upstream energy
- ▶ Marine-related risks (construction, ship repairers, marinas, products liability)

### Risk Engineering

Risk Engineering is a crucial part of our long-term approach to client relationships. Our global network of Risk Engineers work with you to develop an in-depth understanding of the operational and safety aspects of each risk. Based on that knowledge we can offer to you and your client a more informed and tailored insurance product. This enhances overall risk control and benefits all parties.

### Technical information

Asia continues to develop a claims culture, which means that your clients need to be advised by skilled knowledgeable brokers for their Casualty insurance needs.

At Liberty we offer presentations on all aspects of Third Party Injury and Damage liability. We have developed a number of presentations with brokers in mind, and we are happy to create something tailored to your specific request.
