

Corporate insurance solutions tailored by Liberty Specialty Markets

Underwriting Division of Lloyd's Insurance Company (China) Limited [Lloyd's Syndicate 4472]

Distinct, complex and constantly evolving – every business is as unique as their insurance needs. To confidently progress in the face of risk and uncertainty requires a level of security you can only achieve through working with specialists.

We partner with insurance brokers and cedants to bring value and solutions to China's most significant business and government organisations – helping them protect what they earn, build and own.

A growing presence in China

The Liberty Mutual Group has operated in China for more than 20 years, and today has two distinct and collaborative market presences in the region.

For the corporate market, we operate as Liberty Specialty Markets Underwriting Division on the Lloyd's China platform in Shanghai and Beijing. Liberty Specialty Markets is one of the world's leading specialist insurers offering insurance and reinsurance products through both the company platform of Liberty Specialty Markets and Lloyd's market.

In Guangzhou the Liberty Insurance Specialty Risks Division handles complex commercial risks that emerge from the small commercial lines business.

Liberty Specialty Markets

Our underwriters in Beijing and Shanghai bring expertise in the following core commercial product lines:

Casualty

Primary Liability

Our products cover a spectrum of risks, from small and medium enterprises to large corporate, government, construction or infrastructure projects, as well as high hazard risks.

Umbrella/Excess

Limits up to \$US50m with worldwide jurisdiction.

Environmental Liability

With gaps in pollution cover becoming increasingly apparent in traditional liability policies, we provide broad and comprehensive coverage for environmental impairment liability.

Property

Construction

Our team of highly experienced construction underwriters and engineers combines technical understanding with significant underwriting experience and market-leading capacity to deliver risk transfer solutions for energy, process and heavy industries, as well as for building, infrastructure and civil engineering projects.

Energy/Power Generation

We offer an innovative, flexible product, closely geared to the energy sector and to our clients' changing needs. We cover operations of onshore energy, heavy industries and power generation facilities.

Professional & Financial Lines

Directors & Officers

We offer tailored cover for private and listed companies. We write Directors & Officers Liability, Side A Excess and Initial Public Offering covers.

Financial Institutions

As a leading insurer in this sector, we offer tailored cover for investment managers, banks and other financial institutions, offering Professional Indemnity, Directors & Officers and Crime covers.

Professional Indemnity

We can arrange cover on a primary or excess basis for both traditional and emerging professions. We also have technical expertise in the construction project PI area for local projects as well as overseas projects.

Specialty

Crisis Management

We help clients manage major crisis events and mitigate the risk of product contamination and product recall for food and non-food sector events. Our Kidnap & Ransom cover provides corporations around the world with prevention, training and response services. We also offer parametric weather insurance.

Terrorism

Liberty offers an extensive range of War & Terrorism cover on a regional and global basis.

Global reach. Financial strength. Local authority.

Syndicate 4472 is part of the Liberty Specialty Markets group of companies. Liberty Specialty Markets brings together a global network of 2000 professionals across 20 countries.

Flexibility, transparency, simplicity and respect: it's values like these that drive the genuine relationships we form and nurture. They allow us to consistently put your needs first – to help you embrace the challenges of today, pursue the opportunities of tomorrow and protect what matters most.

As a mutual, we are wholly devoted to our policy-holders and partners: providing continuity and assurance in an unpredictable world.
