Product

Accident & Health

Protecting people and their companies at home and abroad. We provide round-the-clock reassurance to our customers.

Product

Accident & Health – Group Personal Accident & Sickness

Protecting people from unexpected events and providing them with financial security, such as one that leaves an individual unable to work or participate in other activities for an extended period of time.

Crisis Management

The financial impact of a product recall can be highly damaging. Our product may offer broader protection than recall expenses offered by standard Product Liability insurance policies.

Crisis Management – PRplus Automotive Components Recall

Businesses that manufacture, import, distribute or sell defective components, are responsible for taking recall action.

Commercial Property

Protection against the financial impact of repair costs, machinery breakdown, and the loss of revenue caused by business interruption.

Environmental Impairment Liability

Complex and challenging, one of the biggest challenges for clients is being aware of, and understanding, their risk exposure and the services required to ensure the best outcome in the event of an incident.

Marine & General Liability

We've combined the key liability covers available under the General & Products and Ship Repairer liability policies.

Weather – Construction Delay

Protection for the Australian construction industry against excess temperature, wind and rainfall.
