## Notification of change of office building name

From 15 April 2021 the Hong Kong office building where the Liberty Specialty Markets team is based will be changing ownership and name.

The building was known as "Cityplaza One", and will now be named "1111 King's Road".

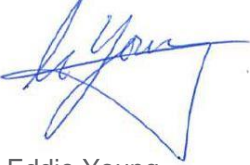

Our updated address listing is:

Suites 2401-4, 24/F,  
1111 King's Road,  
Tai Koo Shing  
Hong Kong

There is no change to our operations or way of working. We will update our address listing on new policies and documentation issued from 15 April 2021.

If you haven't been to our offices this year, we encourage you to come and meet us in our newly refurbished space. We made the most of the 2020 working from home period by expanding and redesigning our office, and our team are very much enjoying the new modern "green" working environment.

Yours Sincerely,

Eddie Young  
Chief Executive Hong Kong
