WAR & TERRORISM // MALICIOUS ASSAILANT //
PRODUCT PROFILE // AUSTRALIA

Attacks perpetrated by “lone wolf” assailants have increased

Companies may be directly impacted or be in the immediate vicinity. Regardless, business interruption losses and liabilities can occur and crisis management may be required. These exposures are not covered by standard terrorism insurance and may not be adequately met by property insurance.

Transfer the risk imposed by malicious assailants

Our offering helps companies transfer the risk imposed by malicious assailants, with broad coverage unrestricted by governmental terrorism definitions. We also provide response services to help minimise the impact of an incident.

Liberty Specialty Markets (Liberty) is a long-term market leader in War & Terrorism insurance across a broad spectrum of industries.

We work closely with brokers and clients to assess their particular risk and to put in place the appropriate level of protection for their operations.
