FINANCIAL RISK SOLUTIONS // ASIA PACIFIC

---

## Global risks, bespoke solutions

Businesses face many varied and complex risks when venturing into emerging and frontier markets.

Where these risks arise from government intervention, sovereign non-payment, political violence or credit default, the Financial Risk Solutions team at Liberty Specialty Markets can help.

---

## Trade with confidence in emerging markets

We have a tight-knit, integrated team that brings a long history of writing Credit & Political Risk insurance across global markets.

Our team consists of highly technical underwriters and analysts based in London, Singapore, Paris, Chicago and New York, with specialist skills, experience and understanding of global financial and political risks.

---

# Transactions change, integrity is constant

We are a leading provider of insurance protection and we pride ourselves on delivering tailor-made solutions to corporate and financial institutions wherever they operate in the world.

Every decision we make is considered, backed by past experience and driven by our desire to provide real foresight, and as a result, real value for our customers.

Our global client base includes government agencies, international banks, multi-nationals and global commodity companies as well as a wide variety of exporters and contractors.

Our underwriters adopt a hands-on approach, working closely with our specialist claims professionals to provide a market-leading service.

We believe this is important due to the complexity of credit and political risk claims.

We bring significant  
experience and local  
decision-making authority.
