Global risks, bespoke solutions

We are a leading provider of insurance protection and we pride ourselves on delivering tailor-made solutions to corporate and financial institutions wherever they operate in the world.

Every decision we make is considered, backed by past experience and driven by our desire to provide real foresight, and as a result, real value for our customers.

Our global client base includes government agencies, international banks, multinationals and global commodity companies as well as a wide variety of exporters and contractors.

Our underwriters adopt a hands-on approach, working closely with our specialist claims professionals to provide a market-leading service.

We believe this is important due to the complexity of credit and political risk claims.
