

PROPERTY

Liberty Specialty Markets, formerly Iron-Starr Excess Agency and Ironshore Bermuda, offers property and energy insurance products. The Bermuda-based team works with clients and brokers to provide solutions tailored to their individual insurance needs, offering an experienced claims team and a dedicated modeling unit. We offer prompt service and assistance on all our accounts. With an experienced senior leadership team, strong balance sheet and diversified product solutions, our Primary Property Insurance offering is one of the largest in Bermuda.

Bermuda Property

We provide All Risks Property Cover including Windstorm, Earthquake and Flood. Our team of experienced underwriters writes an array of global risks providing up to \$50M in capacity.

General Commercial Property

Our general commercial property products focus on insuring property and business interruption coverage. We can offer up to \$50M per account on a Primary, Quota Share, Excess of Loss or Full Value Basis. Where an account has Names Windstorm and Earthquake exposure, we offer up to \$20M in capacity or more where deemed appropriate.

Energy Property

Our energy property insurance policies coverage for property damage, machinery breakdown and business interruption across virtually all classes within the speciality Energy sector, which include but are not limited to chemicals, coal-surface, geotherm, methanol, mining-non coal, pipeline, petrochemical among others. The team can offer up to \$50M per account on the above occupancy classes.

We insure. You prosper.

- ▶ Policies are issued on a subscription basis with subscribing insurers Liberty Specialty Markets Bermuda Ltd, and Oil Casualty Insurance, Ltd each assuming a portion of the limit of liability on a several, not joint, basis.
- ▶ Insured's counterplay risk is managed by utilizing the subscribing insurers with independent balance sheets supporting their portion of the risk insured. At the same time, we provide concurrency of terms and conditions and access to a single platform of underwriting and claims expertise for ease of doing business.
- ▶ Staffed by a dedicated team of underwriting and claims professionals that work together on an integrated basis throughout the underwriting and claims process.
- ▶ For more information, visit www.libertyspecialtymarkets.com
